Mackellar Matters

REPORT

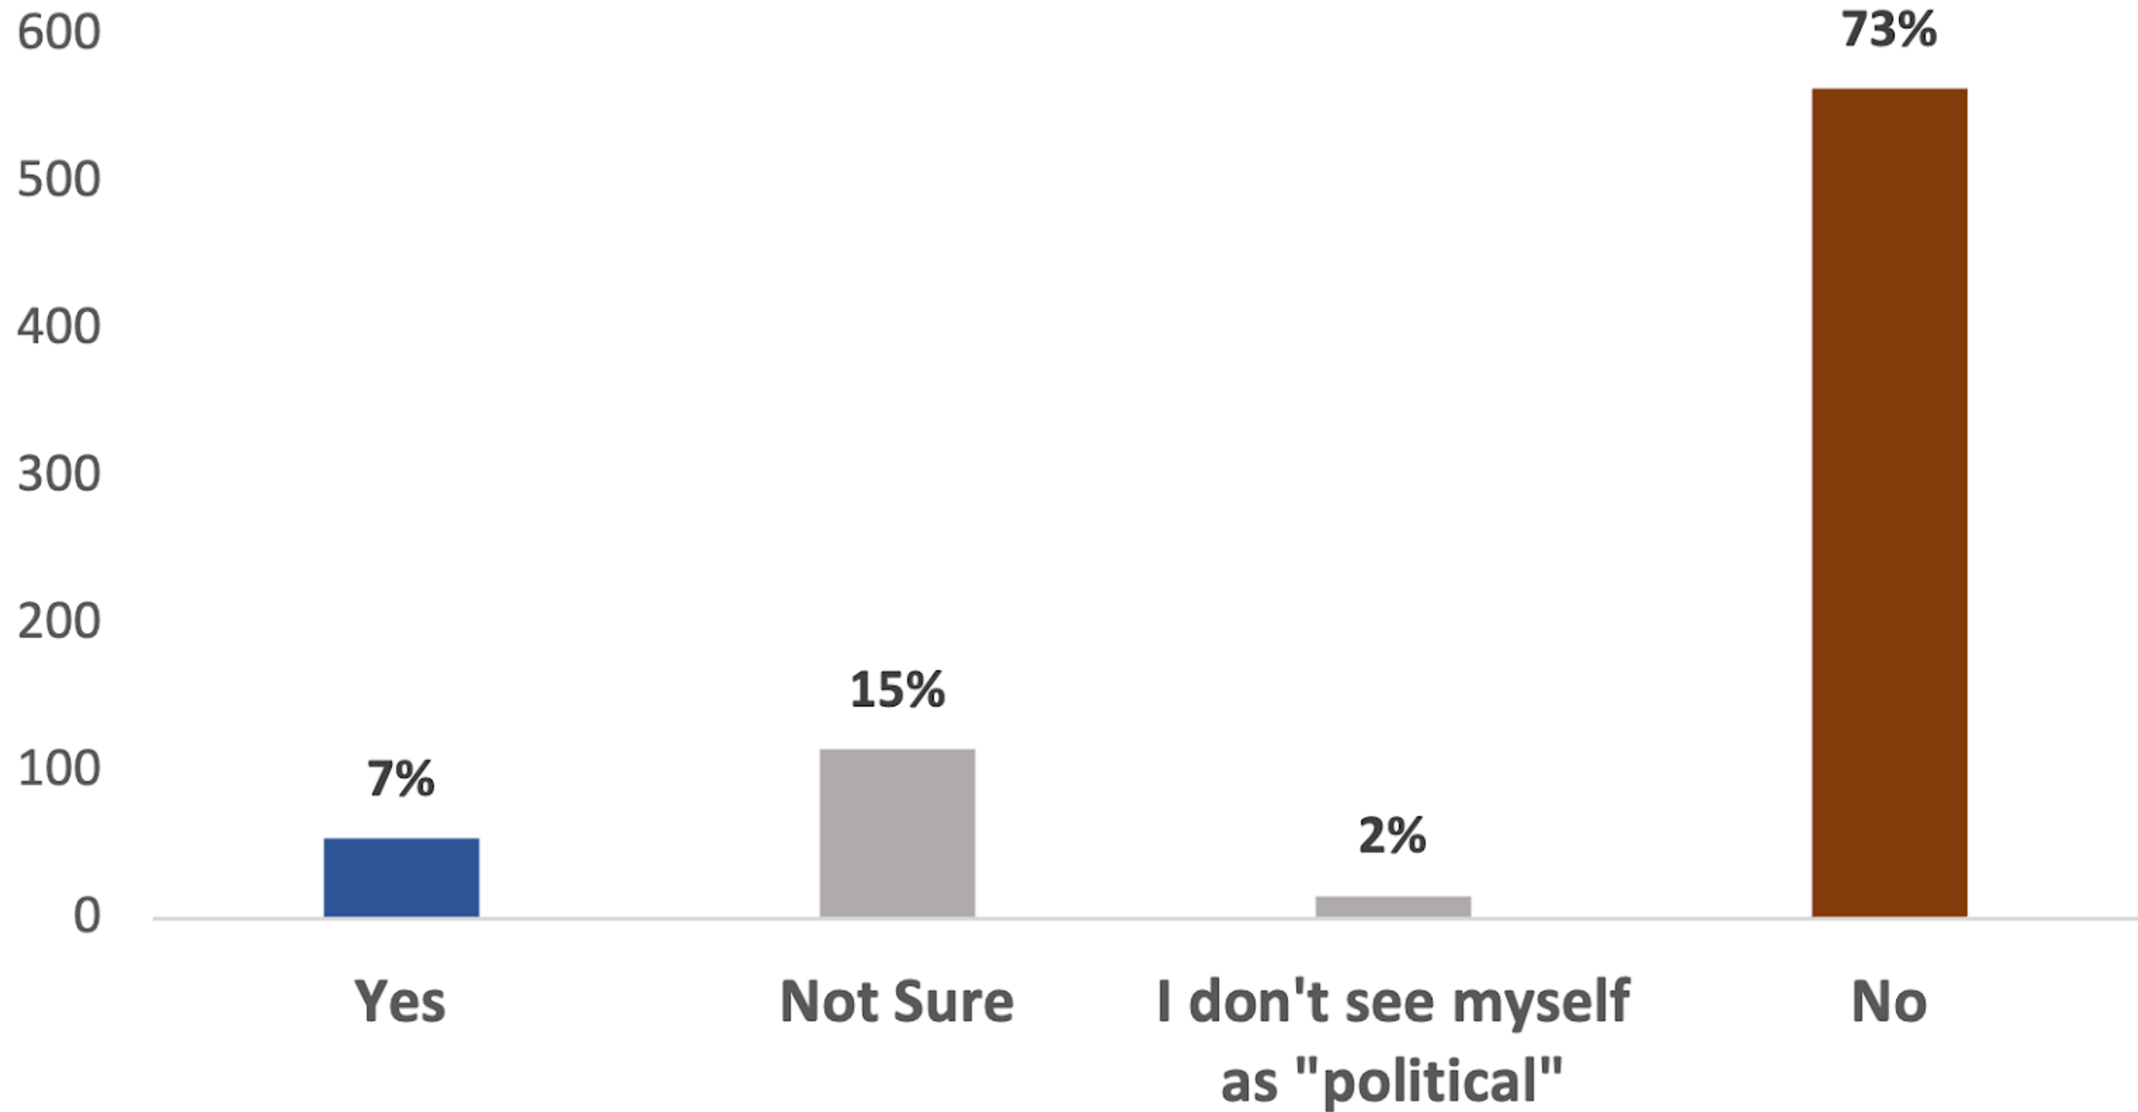

May 2022

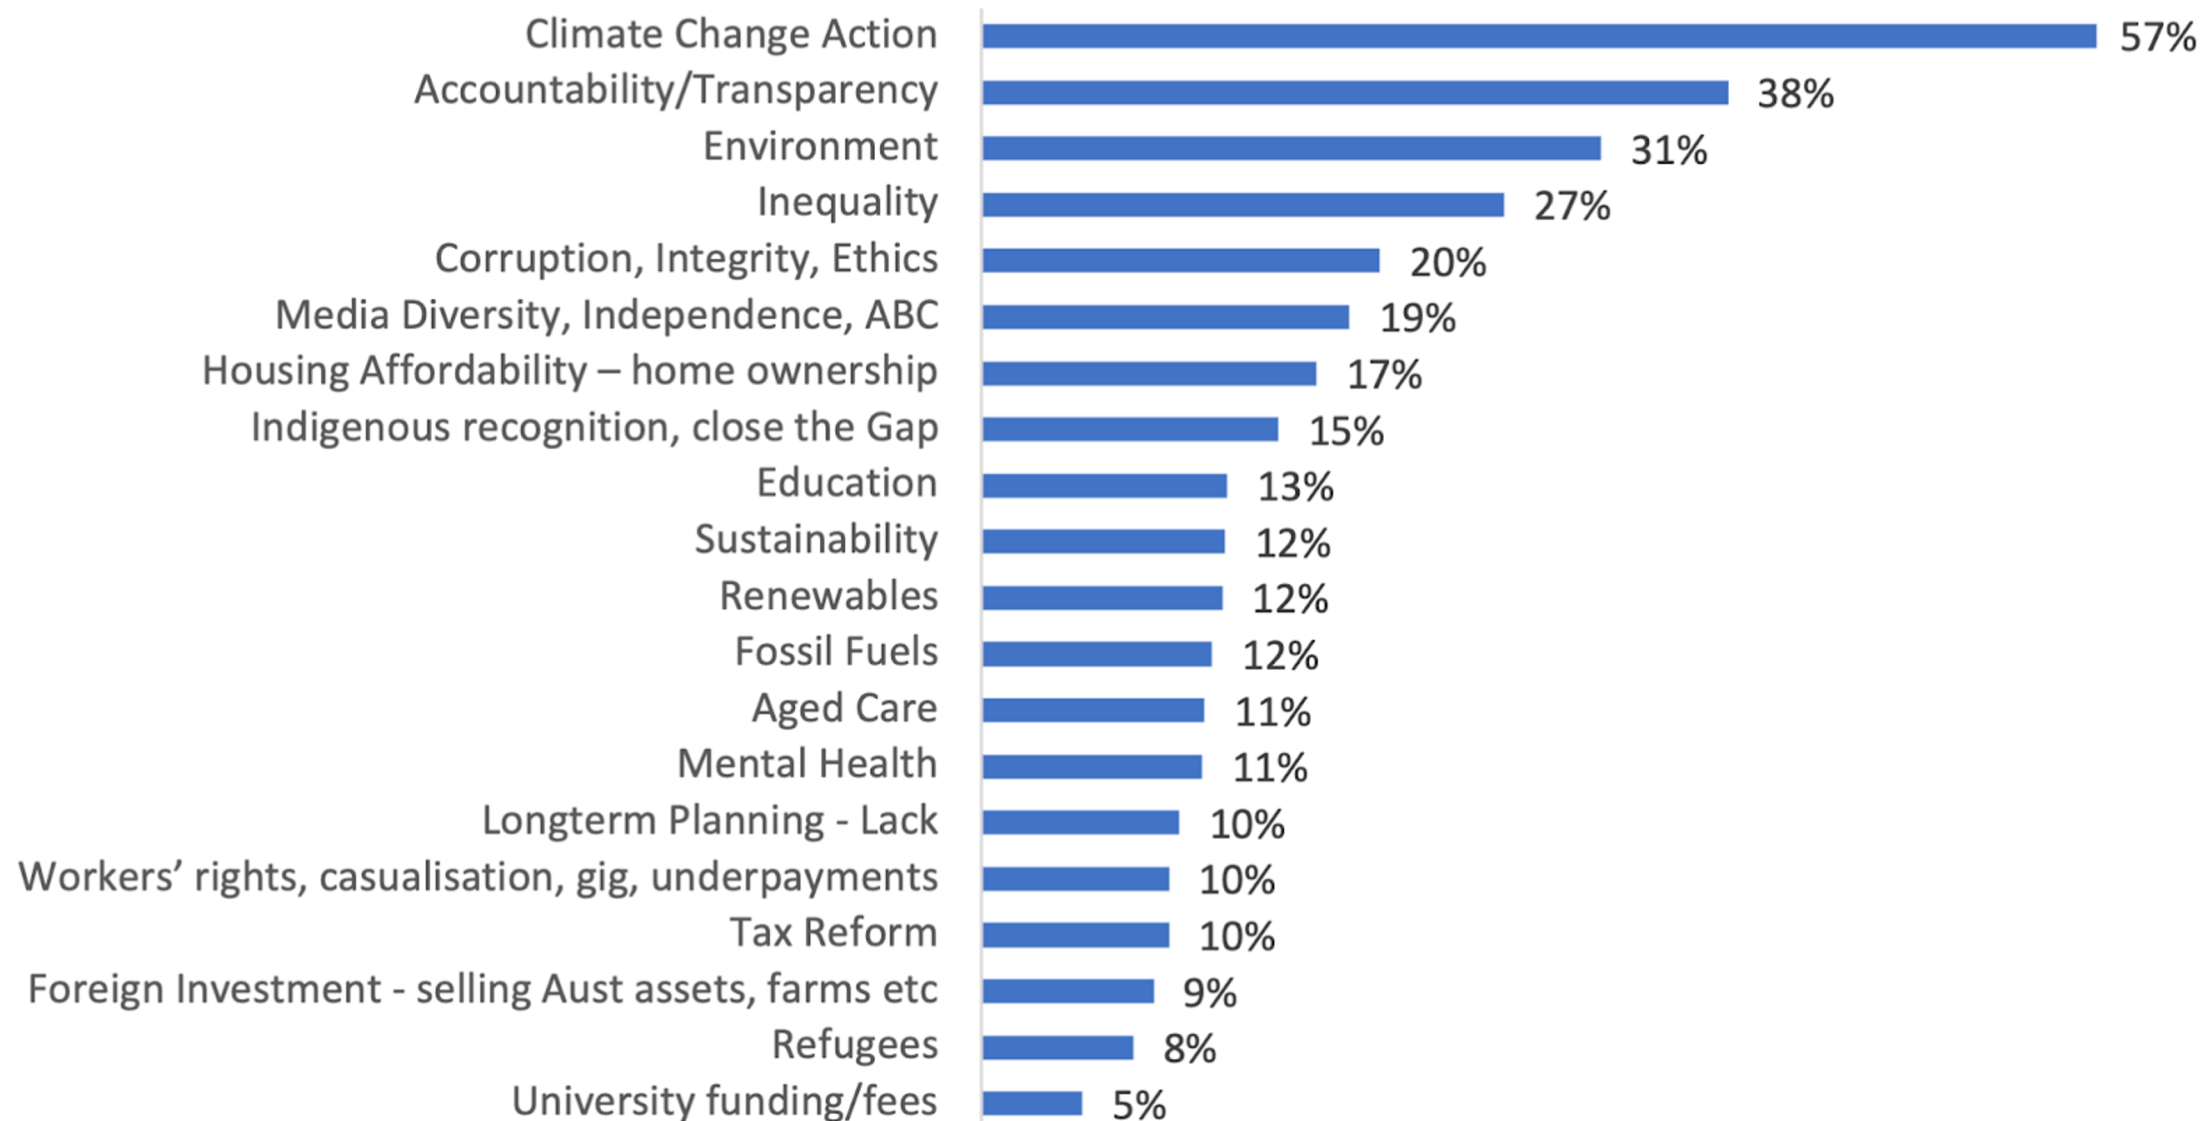

What are qualities of a good parliamentary representative?

Do you feel you have an adequate voice in the way you are represented?

Are they any particular issues that concern you? (Top 20)

What constituents are saying

'I want a representative who has the courage to cross the floor when it matters to their constituents.'

'The people in power have not considered climate change action as a crisis.'

'Powerful lobby groups are buying out our democracy.'
